A BRIEF HISTORY

The first inhabitants of Australia arrived from the north approximately 40,000 to 60,000 years ago. Prior to the arrival of Europeans, Western Australia was occupied solely by Indigenous Australians who had lived peacefully and in harmony with the land for tens of thousands of years.

Indigenous Australians have a rich history and culture that is well worth exploring. Like so many Indigenous cultures of the 18th and 19th centuries, things were about to change.

In March 1827, Captain James Stirling of the Royal Navy arrived in the Swan River and discovered a land that possessed great natural attractions, in contrast to the previous Dutch and French navigators who described New Holland (a name given to Australia by the Dutch) as sterile, forbidding and inhospitable. This landing and

subsequent report by Stirling to His Majesty's Government back in England, led to the foundation of the Swan River Settlement in June 1829.

Using the Swan River for transport, three towns were formed; Perth, Fremantle and Guildford. Fremantle, 20 kilometres downstream on the coast served as the colony's functional port and Guildford, 20 kilometres to the east was chosen to supply produce to the surrounding region because of the rich, fertile soil found in the Swan Valley.

Experiencing severe labour shortages, the British sent convicts to Western Australia between 1850 and 1868 to help establish settlements. 9721 convicts were transported to WA on 43 convict voyages. Between 1850 and 1868 Western Australia was a Penal Colony. The convicts were involved in a significant amount of infrastructure such as the Fremantle Prison, Government House, The Cloisters, the Swan River Mechanics' Institute and the Perth Town Hall.

WWW.HELLOPERTH.COM.AU

The Noongar people have a rich cultural heritage that offer visitors an experience found no where else in the world; they have forged a strong identity that resonates throughout the state. View the Indigenous art at the Art Gallery of WA and the Aboriginal Art Gallery in Kings Park. Visit the Charnock Woman, a 25 metre pavement mosaic in Victoria Gardens, East Perth, or the Yagan statue on Heirisson Island. Yagan was a Whadjuk Noongar warrior, who fought fearlessly to protect their culture and people during the Swan River Colony in 1833. There is also a new, nine metre high sculpture of him at Yagan Square, which was built to embody the spirit and culture of the Noongar people.

It took until the turn of the century to explore most of the state. In 1890, gold was discovered in the Kimberley and Kalgoorlie. This led to a population explosion and established Perth as the colony's trade capital, with Fremantle having to upgrade the harbour to cope with increased demand. Most of Fremantle's original architecture can still be seen today lovingly restored. With the advent of the Second World War, the 1940s initiated a huge demand for minerals and WA had plenty. Lead, iron ore, diamonds, nickel, mineral sands, oil and gas; some of the biggest mining and exploration companies in the world have offices in Perth. WA's economy still relies heavily upon the natural resources sector.

THE INDIGENOUS CULTURES OF AUSTRALIA ARE THE OLDEST LIVING CULTURE IN THE WORLD. INDIGENOUS COMMUNITIES KEPT THEIR CULTURAL HERITAGE ALIVE BY PASSING THEIR KNOWLEDGE, ARTS, RITUALS AND PERFORMANCES FROM ONE GENERATION TO ANOTHER, THROUGH STORYTELLING, PAINTING AND DANCE.

In the more recent past, development of infrastructure and key landmarks such as Elizabeth Quay, Yagan Square, the Ritz Carlton (opening in November 2019), Crown Towers and the Perth City Link - connecting Northbridge to the CBD for the first time in more than 100 years - Perth continues its evolution into one of Australia's most distinctive and welcoming cities. Ideally positioned as a business and tourism gateway for the world, yet sufficiently distanced from other cities to maintain its unique character and appeal.

Breaching whale off the coast of Perth

SPRING IN PERTH

Spring in Perth delivers unique experiences that attracts thousands of people from around the world every year. Nature delights us with her carpets of colourful wildflowers, over 35,000 migrating whales passing along our coastline, and baby quokkas emerging from their mother's pouch. Festivals are plentiful as we celebrate the arrival of spring and the sunny days are filled with clear blue skies.

During spring in Perth, we experience plenty of sunshine and the perfect temperatures for outdoor activities. Walk trails, bike riding, water sports, picnics, al fresco dining, night markets, festivals and outdoor cinema all make for a vibrant season in our great city.

WWW.HELLOPERTH.COM.AU

WHALE MIGRATION

Every year, over 35,000 Humpback, Southern Right and Blue whales migrate from the feeding grounds of Antarctica to the warmer Indian Ocean waters to breed and give birth off the Western Australian shores. The whales follow the continental shelf, hugging the coast as they playfully breach and frolic; this migration is the largest in the southern hemisphere. If you're lucky you'll get the chance to marvel at these majestic creatures and it's a memory never to be forgotten!

For the sharp eyed observer you may catch a glimpse along the coast off Perth from September to November, or there are numerous Whale Watching cruises available that can get you up close and personal, see pages 81 and 87.

The cruises run for several hours and offer informative commentary. Rottnest Island has some fantastic land based lookouts at the West End; pop into the Visitor Centre when you arrive on the island and ask the helpful staff for locations.

WILDFLOWERS

Wildflowers in Western Australia are well known as one of the most spectacular wildflower displays in the world. More than 60% of the wildflower species are unique to Western Australia and during the wildflower season the state showcases over 12,000 species. Pink boronias, red and green kangaroo paw and magenta paperbark blossom are top of the list for wildflower spotters.

The six-month flowering season begins in the north in June and July on the plains of the Pilbara, Goldfields and Coral Coast, and by September, it has moved south and reached Perth's botanical gardens, nature reserves and national parks, finishing in October and November throughout the forests and coastal heaths of the South West. Kings Park, Whiteman Park, Perth Hills, Noble Falls, the Avon Valley National Park and Jurien Bay are just a few starting points. Pick up a copy of the 2019 Wildflower Guide at the WA Visitor Centre, or see their online Wildflower Tracker, which gives an up to date and accurate guide to where the flowers are this year. Visit www.wavisitorcentre.com.au/wildflowers.

SEE & DO PERTH CITY

Conjure up a city embodying all things right about cities. Assuming you lean toward the progressive, I'll wager your rendering includes the following: multiple parks and waterfronts; spotless subways and free public buses; restaurant menus with organic, locally sourced food and wine; cool bars in heritage buildings; and pop-up everything, from farmers' markets to cinema and yoga.

Welcome to Perth.

Published in the New York Times by visiting journalist Baz Dreisinger. Perth has everything you need to experience a fabulous holiday. 3000 hours of sunshine a year, friendly locals, historic attractions and relaxed alfresco dining offering world class food and wine.

There is plenty to see and do in Perth. Hop on an open top bus tour to Kings Park for spectacular views over the city; jump off and walk amongst the treetops or stop for a picnic. Watch gold pouring at The Perth Mint or marvel at one of the world's largest musical instruments at The Bell Tower. Shop in one of the many arcades or boutique stores, take a wine cruise on the beautiful Swan River, jump on the Transperth ferry to visit over 1400 species of animals at the Perth Zoo or, for something different, see Perth on a Segway Tour.

Perth offers abundant restaurants, pubs, bars, night markets, cafes, art galleries, theatre and exhibitions. The city is also surrounded by a number of 'urban' villages' such as Subiaco, Leederville and Mt Lawley, all offering a different inner city feel.

After exploring Perth city, take a day or extended trip to visit the historic Port town of Fremantle, the turquoise bays of Rottnest Island or the lush valleys full of world class wineries in the Swan Valley and Perth Hills, all within 45 minutes of the CBD. The bells have rung out to celebrate many historic events such as England's victory over the Spanish Armada in 1588, the World War II victory at El Alamein in 1942, and have celebrated the coronation of every British monarch since King George II in 1727.

SEE & DO FREMANTLE

Fremantle is Western Australia's chief port and is situated at the mouth of the Swan River, just 25 minutes west of Perth.

Cosmopolitan, friendly Fremantle was founded in 1829 by Captain Charles Howe Fremantle, on the HMAS *Challenger*, in a ceremony which claimed the entire west coast of the previously named "New Holland" in the name of King George IV. Convict labour was used to build many of the original buildings such as the Fremantle Prison and Fremantle Arts Centre and, with the arrival of the gold rush, Fremantle soon developed into a thriving port.

Fremantle is much more than an architectural time capsule. Full of colour and a relaxed and casual atmosphere with busy restaurants and bars trading all hours of the day and night, one of the most intriguing aspects is that it is still possible to walk down streets that have remained virtually unchanged since the mid-19th century. This adds to the unique shopping experiences, especially in the West End.

Fremantle has a fascinating history with many tales of equally fascinating characters of the convict era. Learn about the daring (and successful) escape of the six Irish Fenian prisoners from Fremantle Prison in April, 1876. Or Moondyne Joe, who was an English convict and Western Australia's best-known bushranger; it was his amazing ability to escape every time he was placed behind bars that won him fame and the affection of the early settlers, and a firm place in our history books.

You can also visit the oldest public building in Western Australia, the Round House. Opened in January 1831, just 18 months after settlement, it was built to hold any person convicted of a crime in the settlement and was used until 1886. Today it's a popular tourist attraction with sweeping views over Fremantle, the Fishing Boat Harbour and the Indian Ocean.

See the following pages for things to see and do in Fremantle, or drop into the Visitor Centre in Kings Square; refer to the Fremantle Map on page 49.

Fishing Boat Harbour

FISHING BOAT HARBOUR

FISHING BOAT HARBOUR

Fishing Boat Harbour is Australia's largest small boat harbour and is home to a wide range of commercial fishing vessels. The Harbour was built in 1919 and many of the fishing enterprises are descended from the Italian towns of Molfetta on the Adriatic Sea, and Capo d'Orlando in Sicily.

Many families of the original fishermen still fish out of Fremantle today. The Fishing Boat Harbour was actually a small fishing industry until it was subject to worldwide focus following Australia II winning the America's Cup, which resulted in major development over a very short period of time. The Harbour today is still a very busy working port, and is home to over a dozen restaurants, the Shipwreck Museum, a fresh fish market, accommodation, bike hire and a brewery.

Shop for freshly caught seafood, soak up the ambiance and watch the fishing boats come and go while enjoying the world's finest fresh fish. See the Dining section for a selection of dining choices in the Harbour.

Within the Fishing Boat Harbour you'll find numerous sculptures along the water's edge, which celebrate and represent Fremantle's fishing heritage, and it's also home to the tribute statue of Fremantle boy Bon Scott, ACDC's lead singer.

The Harbour boasts a wide variety of annual events and festivals such as the Blessing of the Fleet, the Fremantle Street Arts Festival and the Fremantle Seafood Festival. Visit visitfremantle.com.au for the schedule of events. Why not stay for a few days? There are several accommodation choices either within the harbour or nearby, so you can relax and indulge! ROTTNEST ISLAND

Rottnest Island is WA's very own island getaway, offering a casual atmosphere, picturesque scenery and some of the world's finest beaches and bays. Located just 19 kilometres off the coast of Fremantle, it's a special place for locals and a popular destination for interstate and international visitors.

Known to local Aboriginal people as Wadjemup, which means 'place of spirits' in the Whadjuk language, the island is of significance to Aboriginal communities across the State. Artefacts pre-dating 6,500 years have been found at a number of sites on Rottnest Island, indicating previous Aboriginal occupation of this area prior to the separation of the Island from the mainland. The first Europeans took up residence on the island shortly after the settlement of the Swan River Colony in 1829. Today Rottnest Island is a relaxed, car free island offering world class beaches and stunning bays, casual dining, walk trails, swimming, snorkeling, bike riding, and an abundance of natural wonders.

Spring is a beautiful time to visit Rottnest Island, when nature re-awakens with the bloom of wildflowers, the birth of baby quokkas and perhaps even dolphins and the migrating whales frolicking offshore. Spring supplies plenty of warm sunny days, perfect for bike riding, long leisurely walks, swimming, sunbaking, alfresco dining and enjoying the relaxed, carefree atmosphere of the island.

DID YOU KNOW.....

THAT THERE ARE AROUND
10,000 TO 12,000 QUOKKAS
LIVING ON ROTTNEST
ISLAND?

QUOKKAS

Perhaps the most photographed animal in the world (due to the Quokka selfie craze!), the quokka is native to Rottneest Island and looks like a pint sized kangaroo. William de Vlamingh, who in 1696 was the first recorded European visitor to Rottneest, gave the Island its name 'Rotte nest' (meaning rat's nest) after the abundance of quokkas he saw, mistaking them for rats.

Quokkas roam freely around the island in their natural habitat and are very friendly little creatures; but remember that Quokkas are wild animals and endangered species, so make sure you follow these simple rules to help protect them - don't feed, don't touch, don't harm. Feeding a quokka its unnatural diet can cause serious illness or be fatal.

MANDURAH & THE PEEL REGION

Less than an hour from Perth, Mandurah is a vibrant tourist destination with a relaxed holiday atmosphere and also a popular weekend getaway for locals. Mandurah is Western Australia's largest and fastest growing regional city and is set against a backdrop of magnificent beaches and an estuary twice the size of Sydney Harbour.

The first people to have inhabited the region were the Bindjareb people of the Noongar Nation, who named the locality Mandjoogoordap, which translates as 'meeting place of the heart'. Today, the Peel Region is made up of the City of Mandurah and surrounding Shires of Serpentine Jarrahdale, Murray, Waroona and Boddington. With new tourism experiences complementing its superb natural assets, significant redevelopment and recently being recognised as WA's 2017 Top Tourism Town, Mandurah has come of age, offering award-winning waterfront dining, aquatic adventures, world-class golf courses and plenty of places to shop. The city centre foreshore is home to an abundance of marine life including dolphins, pelicans, shags and black swans.

In particular the blue manna crab has become synonymous with the area and an annual festival is held in its honour during autumn. Mandurah is easily accessible by train from Perth with a regular fast service taking 48 minutes. For accommodation and tour bookings and information on what to do in the region, drop into the Visitor Centre at 75 Mandurah Terrace, visit visitpeel.com.au or call 9550 3999.

There are so many unique experiences you can easily spend a week or more exploring Perth's natural adventure playground.
