## Road Safety Commission

Don't ignore the yawning signs. A lack of sleep slows your reactions and decisions when driving, increasing the risk of a crash. Fatigue can also cause micro-sleep. Five seconds of this at 100km/h is like driving the length of a football field blindfolded. To arm yourself against fatigue, know the amount of sleep you need and get it regularly. On long journeys, take a break every two hours and swap drivers regularly. Visit the website for more information.

### GETTING THERE

Mandurah is less than an hour's drive south of Perth via the Kwinana Freeway, exiting at Mandjoogordap Drive. Mandurah is a great base to explore the Peel Region, with most places within a 30 minute to one hour's drive. You will need a vehicle to get the most out of your visit, and there are many car hire companies in Perth who can assist with affordable car rental. Transperth's Mandurah Line provides a regular fast train service between Perth and Mandurah. There are two departure stations in central Perth; Perth Underground and Elizabeth Quay. The journey takes just under an hour, departing every 10 to 15 minutes. Visit [transperth.wa.gov.au](http://transperth.wa.gov.au) for more information. For a different rail journey, consider taking the scenic inland route aboard TransWA's Australind service, stopping at six locations in the Peel Region. Visit [www.transwa.wa.gov.au](http://www.transwa.wa.gov.au). Once in Mandurah, the city is very walkable, with good paths, open spaces and waterside boardwalks. To explore further afield you can also take a taxi or join a guided tour.

### A BRIEF HISTORY

The first people to have inhabited the Mandurah region were the Bindjareb people of the Noongar Nation, who named the locality Mandjoogordap, which translates as 'meeting place of the heart'. In 1828, Englishman Thomas Peel established a small settlement at the mouth of the Peel-Harvey Estuary, that was to become Mandurah. In the late 1800s, the quiet fishing village carved an existence from fishing, farming and canneries. In 1846, Western Australia's first mining operation was established at Yarrabah (near present-day Mundijong), mining lead, silver and zinc. The Jarrahdale timber mill, established in May 1872, became the state's largest timber operation, and led to the development of service centres for the timber industry along the Perth-Picton railway line at Mundijong, Waroona and Dwellingup. In recent times, the timber industry has declined, but the establishment of alumina refineries at Pinjarra and Wagerup, and gold mines at Boddington, have helped the local economy.
