## On the Point – Point Fraser

Situated on the banks of the Swan River, Point Fraser is a hidden gem crafted in a modern landscape bordering the city, at the eastern end of Riverside (Birdiya) Drive. This serene destination is now more accessible and iconic with the addition of the Boorloo Bridge which now connects Victoria Park to the heart of Perth via Heirisson Island. The bridge's illuminated design and Noongar cultural artistry enhance the area's vibrant appeal while linking East Perth to Perth's wider scenic network of pathways. These pathways invite tourists and families to explore the Swan River's natural beauty, offering seamless access to iconic destinations like Elizabeth Quay, Kings Park, and Matilda Bay.

Named after botanist Sir Charles Fraser, who explored the Swan River in 1827, Point Fraser blends history and natural beauty. Its Indigenous name, Boodjargabbeelup, translates to "the place of river, water, and land," reflecting its cultural and environmental significance.

Nestled among gum trees, Point Fraser offers winding pathways, a nature-play playground, and opportunities to rent bikes or canoes to explore the surroundings. You can also charter a river cruise with Rhapsody Cruises at the Long Neck jetty. Boardwalks and interpretive signage provide insight into the site's history and biodiversity, while wildlife enthusiasts can enjoy spotting pelicans, black swans, river dolphins, and various bird species. Heirisson Island, a nearby wildlife sanctuary, is also just a short walk away.

At the heart of Point Fraser, lies On The Point, Perth's premier waterfront precinct, home to an exciting array of restaurants, bars, and a new cafe. Whether you're seeking a culinary journey, a relaxing spot to unwind, or vibrant nightlife, On The Point offers unforgettable experiences, complemented by stunning river views and live entertainment.

# SEE & DO FREMANTLE

THE INDIGENOUS NAME FOR FREMANTLE IS WALYALUP AND ITS CONNECTION TO ABORIGINAL CULTURE DATES BACK 40,000 YEARS. FREMANTLE HAS A FASCINATING HISTORY WITH MANY TALES OF EQUALLY FASCINATING CHARACTERS OF THE CONVICT ERA.

Fremantle is one of the most eclectic and spirited seaside destination in the world. It's Perth's old town, a maritime city with spirit and soul, full of vibrancy, colour and culture. Chart a course through a coalescence of festivals, museums, UNESCO World Heritage, hundred-year-old markets and a soundtrack of sails and rigging in the sea breeze. Experience an otherworldly collision of musical and creative culture, and world class food and wine. Meet local characters who will lead you on adventures through historic streets and neighbourhoods, hidden laneways and salty ports on your way to Rottnest Island. It's an adventure not found elsewhere in Australia.

## FREMANTLE

**Fremantle is Western Australia's chief port and is situated at the mouth of the Swan River, just 25 minutes west of Perth.**

Fremantle is much more than an architectural time capsule. Full of colour and a relaxed and casual atmosphere with busy restaurants and bars trading all hours of the day and night, one of the most intriguing aspects is that it is still possible to walk down streets that have remained virtually unchanged since the mid-19th century.

The Whadjuk people are recognised as the traditional owners of the greater Fremantle/Walyalup area and their cultural and heritage beliefs are still important to the Nyoongar people today. The Whadjuk people are part of a larger group that have existed in the South-West of WA for more than 40,000 years, known by their common language: Nyoongar. The land around Fremantle (Walyalup) has always been a significant place for the Whadjuk; Walyalup was the country on both banks of the Derbal Yerrigan (Swan River). The story of how the land once extended past Rottnest but had been inundated by the sea is one of the oldest oral traditions in human history.

Cosmopolitan, friendly Fremantle was founded in 1829 by Captain Charles Howe Fremantle, on the HMAS Challenger, in a ceremony which claimed the entire west coast of the previously named "New Holland" in the name of King George IV. Convict labour was used to build many of the original buildings such as the Fremantle Prison and Fremantle Arts Centre and, with the arrival of the gold rush, Fremantle soon developed into a thriving port.

Fremantle is home to Western Australia's only World Heritage listed building, the Fremantle Prison, and you can also visit the oldest public building in Western Australia, the Round House. See the following pages for things to see and do in Fremantle, or drop into the Visitor Centre in Walyalup Koort; refer to the Fremantle Map on page 61.

### Fremantle Prison

Fremantle Prison is Western Australia's only World Heritage listed building. Built by convicts in the 1850s, Fremantle Prison was used as a place of incarceration for 136 years. Decommissioned as a maximum security gaol in 1991, the prison is a monument to a system of punishment that is uncomfortably recent.

Step inside and do time with Fremantle Prison's experienced guides on a range of Prison Day Tours, Tunnels Tour adventure or spooky Torchlight Tour. Fremantle Prison is open 7 days a week and the Prison Gatehouse is open from 9.00am to 5.00pm daily, and later on Wednesday and Friday evenings. See opposite and the Fremantle Map.

### Fremantle Markets

Established in 1897, the famous Fremantle Markets is the Grand Dame of heritage buildings and a must see destination. This building is one of only two surviving municipal market buildings in Western Australia, and one of the few in Australia that continues to be used for its original purpose.

Step inside the Fremantle Markets and enjoy the distinctive atmosphere of over a hundred years of vibrant culture and heritage. Browse over 150 stalls and purchase everything from fresh produce such as seafood, cheese, honey, fruit, vegetables and bread, plus jewellery, quirky gifts, souvenirs, clothing, olive oil and organic products, art and homewares. In The Yard smell the unique aromas of freshly roasted coffee and baking breads. In the Hall there's a fascinating fusion of music, art and culture, and you can sample local beers at the market bar and listen to the local talent. Open Friday, Saturday, Sunday and Monday Public Holidays 9am till 6pm, and The Yard is open from 8am. See the Fremantle Map.

FREMANTLE'S FISHING BOAT HARBOUR IS  
PERTH'S PREMIER TOURIST DESTINATION

## FISHING BOAT HARBOUR

Fishing Boat Harbour is Australia's largest small boat harbour and is home to a wide range of commercial fishing vessels. The Harbour was built in 1919 and many of the fishing enterprises are descended from the Italian towns of Molfetta on the Adriatic Sea, and Capo d'Orlando in Sicily. Many families of the original fishermen still fish out of Fremantle today.

The Fishing Boat Harbour was actually a small fishing industry until it was subject to worldwide focus following Australia II winning the America's Cup, which resulted in major development over a very short period of time. The Harbour today is still a very busy working port, and is home to over a dozen restaurants, the Shipwreck Museum, a fresh fish market, accommodation, and a brewery.

Shop for freshly caught seafood, soak up the ambiance and watch the fishing boats come and go while enjoying the world's finest fresh fish. Within the Fishing Boat Harbour you'll find numerous sculptures along the water's edge, which celebrate and represent Fremantle's fishing heritage, and it's also home to the tribute statue of Fremantle boy Bon Scott, ACDC's lead singer.

Close by is Esplanade Park with playgrounds, a skate park, and big shady trees to picnic under. The park is also home to the Tourist Wheel Fremantle, where you can reach heights to enjoy stunning views over Fremantle, the harbour and ocean.

The Harbour boasts a wide variety of annual events and festivals such as the Blessing of the Fleet, which is an annual religious tradition adopted by many fishing villages and ports throughout the world to bless the fishing fleet before the opening of the fishing season. The Fremantle Street Arts Festival and the Fremantle Seafood Festival is also held annually. Why not stay for a few days? There are accommodation choices either within the harbour or nearby, so you can relax and indulge! Visit [fremantlefishingboatharbour.com](http://fremantlefishingboatharbour.com).

## Indigenous History

Known to local Aboriginal people as Wadjemup, which means 'place of spirits' in the Whadjuk language, the island is of significance to Aboriginal communities across the State. Artefacts pre-dating 6,500 years have been found at a number of sites on Rottnest Island, indicating previous Aboriginal occupation of this area prior to the separation of the Island from the mainland.

The first Europeans took up residence on the island shortly after the settlement of the Swan River Colony in 1829. Almost a century of Aboriginal incarceration on Rottnest Island began in 1838 and the Colonial Secretary formalised the Island's use as a penal establishment for Aboriginal

people in June 1839. The island was used as an Aboriginal prison until 1904 (except for a short period of closure from 1849-1855), and subsequent forced labour camp for prisoners until 1931. Around 4,000 Aboriginal men and boys from all over the former colony were incarcerated on the Island and general public access to the Island during the prison era was restricted. You can learn all about the history of the island at the Wadjemup Museum.

### Quokkas

Perhaps the most photographed animal in the world (due to the Quokka selfie craze!), the quokka is native to Rottneest Island and looks like a pint sized kangaroo. William de Vlamingh, who in 1696 was the first recorded European visitor to Rottneest, gave the Island its name 'Rotte nest' (meaning rat's nest) after the abundance of quokkas he saw, mistaking them for rats.

Quokkas roam freely around the island in their natural habitat and are very friendly little creatures; but remember that Quokkas are wild animals and endangered species, so make sure you follow these simple rules to help protect them - don't feed, don't touch, don't harm. Feeding a quokka its unnatural diet can cause serious illness or be fatal and you can be fined for feeding them. Please also dispose of your rubbish and food scraps in the bin as it's important to prevent the wildlife becoming sick from eating human food.

## MANDURAH & PEEL

Stretching from the white sands and blue waters of the coast to the pristine wilderness of the forest, Mandurah and the Peel Region is the ultimate aquatic and nature playground where you will discover everything holiday memories are made of, less than an hour from Perth.

Showcasing stunning beaches, worldclass natural beauty, an abundance of wildlife, outdoor adventure, walk and cycle trail plus gourmet wine and dining experiences, Mandurah is set against a backdrop of magnificent beaches and an estuary twice the size of Sydney Harbour. The first people to have inhabited the region were the Bindjareb people of the Noongar Nation, who named the locality Mandjoogoordap, which translates as 'meeting place of the heart'.

In 1828, Englishman Thomas Peel established a small settlement at the mouth of the Peel-Harvey

Estuary, that was to become Mandurah and until the late 1800s, the quiet fishing village carved an existence from fishing, farming and canneries.

In 1846, Western Australia's first mining operation was established at Yarrabah (near present-day Mundijong), mining lead, silver and zinc. The Jarrahdale timber mill, established in May 1872, became the state's largest timber operation. In recent times, the timber industry has declined, but the establishment of alumina refineries at Pinjarra and Wagerup, and gold mines at Boddington, have helped the local economy.

The city centre foreshore is home to an abundance of marine life including dolphins, pelicans, shags and black swans. In particular the blue manna crab has become synonymous with the area and an annual festival is held in its honour during autumn. Mandurah is easily accessible by train from Perth with a regular fast service taking 48 minutes. Drop into the Mandurah Visitor Centre, 75 Mandurah Terrace, Mandurah.

## SWAN VALLEY

Within an easy 30 minute drive east from Perth lies the historic wine region of the Swan Valley, well known world wide for its award winning wines. The region is built on a unique history and heritage blending Indigenous, pioneering, colonial and southern European roots.

The local Aboriginal people and custodians of the land are Whadjuk Noongar people who have inhabited the region for at least 40,000 years, and are the traditional owners of the Swan Valley. The historic town of Guildford in the Whadjuk region has always been an important meeting place for Noongar people. The area contains many campsites and spiritual sites which have been used by Noongars to the present day.

Captain James Stirling first sighted the Valley in 1827, and quickly realised the Valley's rich and fertile soils would sustain settlement – the first agricultural ventures by colonial settlers began in 1829. Southern European migrants arrived in the Swan Valley after World War I and then again after World War II, drawing upon their wine making skills from home to help make the Swan Valley what it is today.

**“CAPTAIN JAMES STIRLING FIRST SIGHTED THE VALLEY IN 1827, AND QUICKLY REALISED THE VALLEY'S RICH AND FERTILE SOILS WOULD SUSTAIN SETTLEMENT”**

It's proudly the oldest wine region in Western Australia and you can follow a 32 kilometre loop to enjoy wineries, breweries, restaurants, cafes, arts, crafts, museums and shop for fresh produce. Sample free tastings of wines and local produce such as olives, cheese, coffee and chocolate. The Valley is also home to Caversham Wildlife Park and Whiteman Park. ## A BRIEF HISTORY

**The first inhabitants of Australia arrived from the north approximately 40,000 to 60,000 years ago. Prior to the arrival of Europeans, Western Australia was occupied solely by Indigenous Australians who had lived peacefully and in harmony with the land for tens of thousands of years.**

Indigenous Australians have a rich history and culture that is well worth exploring. They have kept their cultural heritage alive by passing their knowledge, arts, rituals and performances from one generation to another, through storytelling, painting and dance. Like so many Indigenous cultures of the 18th and 19th centuries, things were about to change.

In March 1827, Captain James Stirling of the Royal Navy arrived in the Swan River and discovered a land that possessed great natural attractions, in contrast to the previous Dutch and French navigators who described New Holland (a name given to Australia by the Dutch) as sterile, forbidding and inhospitable. This landing and subsequent report by Stirling to His Majesty's Government back in England, led to the foundation of the Swan River Settlement in June 1829.

Using the Swan River for transport, three towns were formed; Perth, Fremantle and Guildford. Fremantle, 20 kilometres downstream on the coast served as the colony's functional port and Guildford, 20 kilometres to the east was chosen to supply produce to the surrounding region because of the rich, fertile soil found in the Swan Valley. Experiencing severe labour shortages, the British sent convicts to Western Australia between 1850 and 1868 to help establish settlements. 9721 convicts were transported to WA on 43 convict voyages. Between 1850 and 1868 Western Australia was a Penal Colony. The convicts were involved in a significant amount of infrastructure such as the Fremantle Prison, Government House, The Cloisters, the Swan River Mechanics' Institute and the Perth Town Hall.

The Noongar people have a rich cultural heritage that offer visitors an experience found no where else in the world; they have forged a strong identity that resonates throughout the state. View the Indigenous art at the Art Gallery of WA and the many Aboriginal Art Galleries throughout the state. Visit the Charnock Woman, a 25 metre pavement mosaic in Victoria Gardens, East Perth, or the Yagan statue on Heirisson Island. Yagan was a Whadjuk Noongar warrior, who fought fearlessly to protect their culture and people during the Swan River Colony in 1833. There is also a nine-metre high sculpture of Yagan at Yagan Square, which was built to embody the spirit and culture of the Noongar people, and a new nine-metre-high sculpture, depicting a Noongar warrior and breaching whale, to welcome you as you arrive at Rottnest Island.

**“THE INDIGENOUS CULTURES OF AUSTRALIA ARE THE OLDEST LIVING CULTURE IN THE WORLD.”**

It took until the turn of the century to explore most of the state. In 1890, gold was discovered in the Kimberley and Kalgoorlie. This led to a population explosion and established Perth as the colony's trade capital, with Fremantle having to upgrade the harbour to cope with increased demand. Most of Fremantle's original architecture can still be seen today lovingly restored. With the advent of the Second World War, the 1940s initiated a huge demand for minerals and WA had plenty. Lead, iron ore, diamonds, nickel, mineral sands, oil and gas; some of the biggest mining and exploration companies in the world have offices in Perth. WA's economy still relies heavily upon the natural resources sector.

In the more recent past, development of infrastructure and key landmarks such as Elizabeth Quay, Yagan Square, the Ritz Carlton, Crown Towers and the Perth City Link - connecting Northbridge to the CBD for the first time in more than 100 years - Perth continues its evolution into one of Australia's most distinctive and welcoming cities. Ideally positioned as a business and tourism gateway for the world, yet sufficiently distanced from other cities to maintain its unique character and appeal.
