PUBLISHER'S NOTE

Every effort has been made to be as accurate as possible with locations, however due to the huge number of venues, the exact position is not always possible; please use this map as a guide only. Cafes and restaurants are not featured as there are far too many to list! Only significant car parks are listed; there are many more small car parks and road parking is available. Visit helloworldperth.com.au for further information about Perth, including maps, things to do, dining, events and discounts.

Road Safety Commission

A lack of sleep slows your reactions and decisions when driving, increasing the risk of a crash. It can also cause micro-sleep. Five seconds of this at 100km/h is like driving the length of a football field blindfolded. To arm yourself against fatigue, know the amount of sleep you need and get it regularly. On long journeys, take a break every two hours and swap drivers regularly.
