GETTING THERE

Although covering a vast area, the Perth Hills Region is mostly within a half to one hour drive from the Perth CBD. Travelling by car is the easiest way to see and experience this beautiful countryside, however let us share some alternative options. Why not take a day tour and take the driving hassle out of your day? Especially if your trip involves sampling some locally made wine!

You can also visit transperth.wa.gov.au/journey-planner and simply enter your destination and it will suggest bus routes into the Perth Hills. The website also features language interpretation. The Midland, High Wycombe and Byford train line can only take you so far, and then you'll need to make alternative transport arrangements. Depending on your destination contact, the visitor centres listed on this map and the helpful staff will be able to assist you with any enquiries regarding your visit, including transport, accommodation and itineraries.
